---

This seminar will explain the current state of the law in NJ and recent proposed legislation (A1301) that attempts to alleviate the burden of collecting sales tax for horse boarding facilities. We will review the legislative process (i.e., how a bill becomes a law) and discuss actions that citizens can take to help the process. We also will share common triggers for audits and important steps to take when being audited.

WITH SPECIAL APPEARANCE BY:

ASSEMBLYMAN RONALD S. DANCER  
\*SPONSOR OF BILL A1301\*
