

2026 Agriculture Education Award

The New Jersey Farm Bureau Women's Leadership Committee is now accepting nominations for the 2026 Agriculture Education Award.

This award recognizes an outstanding New Jersey educator who brings agriculture to life in the classroom through hands-on learning, creativity, and student engagement. Teachers can apply directly for an agriculture-related project currently used or planned for their school.

Applications will be reviewed by the committee, and one recipient will be selected in early spring. The selected educator will receive an award along with a monetary donation of up to \$500 to support their agriculture project during the 2025–2026 school year.

Our goal is to celebrate educators who inspire students by connecting them to agriculture in meaningful, memorable ways.

Name _____ Phone # _____

Home Address _____

City _____ State _____ Zip Code _____

School _____ Grade Level _____

County in which you teach _____

Email Address _____

Application Details:

1. Project Summary: Provide a concise summary of the project for which you are requesting funding. Describe how this project will support, enhance or expand agriculture education.
2. Objectives and Outcomes: Describe the objectives and outcomes of this project, including the timeline of the project.
3. Project Budget: Include a project budget summary showing how the funds will be used.
4. Project Impact: Describe the impact this project will have on student attitudes and overall learning.

As a part of this award, if accepted, awardees are required and agree to submit a wrap-up report. This should include a brief summary and at least one photo.

Applications must be postmarked or emailed by *March 18, 2026* to: NJFB Women's Leadership Committee, 168 West State Street, Trenton, NJ 08608 or email at wlc@njfb.org
